

SUMMER SOCIAL SKILLS GROUPS

The **Institute for Communicative Disorders** in Naperville, IL will be providing social skills groups for children with autism. Children will learn and practice social skills through play, movement activities, and games. This program will be conducted by certified and licensed speech-language pathologists with early childhood and autism experience.

When: Tuesday afternoons, 3:30-5:00, beginning June 16th and running through July 21st

Who: Children ages 3-6 who are on the autism spectrum and their peer who is typically developing

Cost: \$600 for the six week session
